Note: All areas are considered areas with possible UXO's. Should an UXO be found, they should be avoided and not tampered with. When completed with your activity, please report the location, if known, to enable EOD to remove the UXO.

Route Gold and Hay Meadow Canyon are the only roads open through the McGregor Range No Access Area. Must inform Range Operations of intention to use these roads to access recreation or hunting areas. These roads are strictly for access through No Access Areas, do not stop or leave road for any reason. Range Operations: (915) 744-9546 / 9547 / 9548 / 9554
